

Dear Mayor Maxwell,

I am writing to tender my resignation effective July 31, 2008.

It has been my pleasure and honor to work for the City of Anacortes since September 1981. I worked first as Planning Director, then as Planning Director/Assistant City Attorney, and most recently as Planning Director/City Attorney.

I have thoroughly enjoyed every minute. Ours is such a wonderful community with dedicated employees, elected officials, and volunteers. I am looking forward to joining the volunteer category.

I intend to continue working in the planning profession, but not in a management position. I am currently finalizing arrangements to work as a planner for the City of Tacoma Department of Community and Economic Development.

Thank you, Dean. You always do things for the right reasons. It has been a great privilege to work closely with you over these past 15 years.

Sincerely,  
Ian S. Munce
